

Professional hand lever shear - HM PH 1000

Item Number: 00623000

The heavy duty precision construction of model PH 1000, ensures effective cutting of sheet materials up to 1.6 mm in thickness, giving a clean finish every time.

The PH 1000 is open ended to accommodate unlimited cutting lengths. With its recessed table and pivoting sheet holder, materials can be handled easily. A spring loaded side gauge complete with counter, and spindle adjustment come as standard equipment.

Features include:

- Fast operation, with the side gauge and hand-lever controls positioned at the front of the machine
- Open ended clamping design for unlimited cutting lengths
- Spring loaded back gauge enables narrow strips to be cut
- Large recessed table at an ideal height

Product Specifications

Cutting angle	3°
Cutting/min.	15
Machine height (mm)	1300
Machine length (mm)	1680
Machine width (mm)	1000
Net weight (kg)	295
Sheet thickness steel (mm)	1.6
Table height (mm)	760
Table length (mm)	1290
Table width (mm)	785
Working width (mm)	1010
